We know a thing or two about wallpaper

For over seventy years, we have produced unique wallpapers exclusively at our Hohenberg site. Now in the third generation, we still strive for the highest standards of design, quality, sustainability, and healthy living.

„What makes us different? our experience? our sophisticated technology? or is it our flair for innovation? All of these, for sure! But most of all, it's our passion for the product”

Ralf Taubert
CEO

Sustainable and healthy living Made in Germany

When it comes to sustainability and healthy living, we make no compromises. That's why all of our wallpapers are made sustainably exclusively in Germany. We do not need PVC, plasticizers and solvents. So our wallpapers are 100% healthy.

CRAFTED

A touch of retro - interpreted for today

HOHENBERGER®
MANUFAKTUR FÜR TAPETEN

Patterns, lines and figures - everything seems random, spontaneous, unintentional. Colours flow gently and softly, merge into each other, seem hand-painted.

The CRAFTED collection is a tribute to randomness in a world where everything else is technically perfect and under control. CRAFTED celebrates creative craft techniques, reminiscent of batik, watercolour, smudge and stamp techniques.

Retro fans combine selected CRAFTED designs with matching furniture and accessories and recapture the good taste of past decades.
