With decades of experience in the carpet industry, CM Hospitality Carpets has been known for devotion to unique and exquisite design, quality manufacturing, and reliable professional service.

Luxury Hotels turn to CM Hospitality for top quality service in design, planning & estimating, and beautiful carpet.

CM's team is right there alongside each step of the way to help designer's reach their design visions for their projects from design inspiration to seaming diagrams to flooded plans to the shipping dock.

CM Hospitality offers a wide variety of custom patterns in numerous constructions to fit any project application. CM has proven to their customers over and over again to be fast, flexible, and first class in service and quality products.

From guest rooms to public spaces to cove base, CM Hospitality covers the spectrum in hospitality. Our in-house design team and manufacturing capabilities enable us to provide custom products that meet architects' and designers' high expectations of design, color, and performance.

This pattern collection was developed as an installment of the Design Essentials Set to help busy designers formulate custom designs expediently and provoke inspiration through various pattern categories.
